

To All Street Stock/Truck Competitors

Enclosed you will find the 2014 competitor package for the Napa Street Stock/ Truck Invitational. This event will take place Aug 16, 2014 during our big Double Header NASCAR/Pro Stock Weekend. We will be asking all cars to pre-register with us for the event. We will be offering all pre-registered cars an incentive to pre-register; details are on the registration form.

FREE CAMPING on site first come first served we have over 700 sites no need to register for camping.

The rules will be based on your home track. On the registration form you will need to declare your home track.

Please note we will have very limited pit space so depending on the response we may have to put a limit on the number of cars that can enter.

We are looking at having an open test Thursday Aug 14 7-10pm if we have enough interest.

Should you have any questions or concerns please e mail me at mclean@riversidespeedway.ca

Thanks,
Paul Mclean
Track Manager
Riverside Speedway
