

## 2025 Competitor Information Package

# PRO STOCK

---

Enclosed you will find the 2025 **Pro Stock** competitor information package for the IWK 250 and the new-for-'25 Dash 4 Cash. This year's event will take place from July 16 to 19. Once again, we are asking all teams to file their entry forms in advance and, in consideration of that, are offering Early Bird Bonuses for entries received by **July 4**.

The IWK 250 Early Bird Bonus includes front pit parking for the first 24 entries, consideration for a provisional starting spot (if necessary), driver bio in the Official Souvenir Program for the IWK 250, and five pit passes included with the \$300 entry. Additional pit passes can be purchased online ([www.riversidespeedway.ca](http://www.riversidespeedway.ca)) at \$60 each; they'll be \$65 at the gate on race day.

New-for-'25 is the Dash 4 Cash on Wednesday, July 16 – a prelude to the IWK 250. It's a 75-lap pro stock/super late model race paying \$5,000.00 to win with no points on the line! The entry form is online, and you'll find more information in this kit. Just as for the IWK 250, we're offering discounted pit passes for those teams that enter/register for the Dash \$ Cash (by June 30 – PLUS – the Dash 4 Cash winner will be eligible for a guaranteed starting spot in the IWK 250 IF they have registered for the event by June 30.

Between the IWK 250 and the Dash 4 Cash, over **\$150,000.00** in winnings is on the line, making this event one of the biggest paydays in Canadian motorsports.

**Entry Forms for both the Dash 4 Cash and IWK 250 are online. They're quick and easy and can be completed from any desktop or mobile device. The links are on our IWK 250 event page at [www.riversidespeedway.ca](http://www.riversidespeedway.ca).**

Haulers on-site overnight Wednesday, Thursday, Friday, and Saturday must park in our overflow lot across from the track on Beaver Meadow Road (yellow star on map to the right). We've got events all four nights, and we need the space for spectator parking. Haulers left in spectator parking will be subject to a \$200/night deduction from winnings and may be moved. Thanks in advance for your cooperation.

For those who do not run with the Tour regularly, please contact them directly regarding your IWK 250 tire order; the number is 902-476-5255. Dash 4 Cash tire orders can be placed on the entry form. We appreciate your support of Riverside International Speedway and the IWK 250.

Thanks,  
Joan

The Dash 4 Cash, a prelude to the IWK 250, will highlight the show on Wednesday, July 16. The non-points 75-lap Dash for Cash pro stock/super late model race pays \$5,000 to win from a \$38,000 purse, bringing the total prize money offered for the four-day event to over \$178,000.

The Dash 4 Cash will have a qualifying format unique to this region. Racers will do two laps at speed with a two-tire pit stop after lap one; the cumulative time will determine the starting order for the 75-lap feature race.

The Entry Form is on the Riverside website. The cost, until July 4, is \$175.00, which includes pit passes for five crew members.

#### BUILDING RULES & RACE PROCEDURES

Building rules are governed by the Maritime Pro Stock Tour 2025 rulebook. The race will be 75-laps straight up. Caution laps will not count. If a caution happens on the white flag lap, green-white-checkered will finish the race. It's a four-tire race; you must qualify and race on the same tires. Tire order forms will be sent to registered teams in advance, with a choice of tires from the 2025 FGI Pro Stock Tour order or the last order of 2024 (discounted, while supplies last).

The qualifying pit stop will use a pit stop simulator – a rear quarter panel with one hub. It will be on pit road. The car will make one lap at speed and stop at the start finish line. Once the car has stopped (on the track), a crew member will mount the tire on the hub (on pit road). When they're finished, the car will leave for its second lap. A second crew member will be positioned on pit road at the fence opening with a pit board to let the driver know when to stop and start. Loose lug nuts will be a 1-second penalty, each. Missing lug nuts will be a 2-second penalty, each. The cumulative time will be their "score."
